The drop-off and pick-up procedures remain the same as last school year:

- Students in Grades 4-11 enter the school on their own through the main entrance.
- Younger students (PK-3) will meet 15 minutes before class starts for the first two weeks at the church courtyard (Friday at 5:45 PM; Saturday at 9:45 AM). Each teacher will have a sign with their name and class number. After classes begin, the children will walk to their classrooms with their teacher.
- After classes end (Friday at 9:45 PM; Saturday at 12:45 PM), the children will be brought back to the meeting spot. Starting from the third week, please drop your child off at the school's main entrance, where the teachers will be waiting in the hallway.
- Students attending extra-curricular activities (Polanie and Art Club) will remain in the school building.
- At the end of the day, the older students (Grades 4-11) will be the last to leave the building.

IMPORTANT!

Personal electronic devices:

Students are prohibited from using personal electronic devices (e.g. cell phones, tablets, or any wearable technology) during instructional time unless authorized by building administration and the classroom staff. Students may not utilize personal electronic devices in a manner that disrupts the educational process or impedes the privacy rights of the school community. Inappropriate use of personal electronic devices may lead the school staff to take disciplinary actions, including confiscating the device until the end of the school day (the electronic device will be returned to the parent or legal guardian). The School is not responsible if the student's electronic device is damaged, lost, or stolen.

Safety

We would like to remind you that for the safety of our students, teachers, and board members, parents are not allowed to enter the school.
